

## BHS Illuminate Help Sheet: Printing General Answer Sheets

You can print a general set of answer sheets for your class that are not designed for a specific test. These answer sheets are nice to have on hand for on the fly assessments.

### Select “Print Answer Sheets” from the assessment menu.

The screenshot shows the Illuminate Education web application. The top navigation bar includes 'Students', 'Grades', 'GradeBook', 'Reports', and 'Assessments'. The 'Assessments' menu is open, showing options like 'List Assessments', 'Create a New Assessment', and 'Print Answer Sheets'. The 'Print Answer Sheets' option is highlighted in blue. A red arrow points to the 'Print Answer Sheets' option with the text 'CLICK TO LEARN MORE!'. The background shows a sidebar with 'My Dashboard', 'Illuminate', 'Bulletin', 'Class Roster', and 'ID' sections.

Click on “Classes” and select all of the classes for which you want to print answer sheets.

The screenshot shows the 'Print GradeCam Answer Sheets' page. The page has a header with 'Print Pre-Slugged' and 'Print Blank' buttons. Below the header, there are dropdown menus for 'Site' (Brighton High School) and 'Enrollment/Roster Date' (Control Panel (01-18-2015)). There is a text input field for 'Courses' with the placeholder 'Filter Courses (Optional)'. Below that is a 'Classes' dropdown menu with a list of classes: 'N On Line Learning Lab - 1 (14260)', 'AP Language & Comp - 1 (15374)', 'British Literature - 1 (15881)', 'AP Microeconomics - 1 (15672)', 'World History - 1 (16270)', 'Astronomy - 1 (16004)', 'Bioethics - 1 (15654)', 'MVS Forensic Science - 1 (14710)', and 'Oceanography A - 1 (14092)'. The 'AP Microeconomics - 1 (15672)' class is selected. There is also a checkbox for 'Include Versions Row?' with a dropdown set to 'Don't include versions row'.

If you do not want to print sheets for all of your students, you can click on “students” and select the students you want. Type in the number of questions, then click “Generate”.
